Elematec Philippines, Inc. (EPI) will not be responsible for any delay in performance due to force majeure, war, riots, acts of civil or military authorities, fires, floods, accidents, quarantine restriction, strikes, delays in transportation and/or any cause beyond the reasonable control of EPI. In relation to the above, EPI will strictly follow the PEZA requirement such as Letter of Authority (LOA) and EPI is not responsible for any delay in issuance of LOA from PEZA. The standard lead time of issuance of LOA from PEZA is more or less two weeks from the date of application. In case of PCL, CCO and PNP permits, it will take a maximum of 6 months to secure and 12 months maximum for PMPIN and PDEA. Above quoted price is subject to change based on exchange rate and other market factors.
