TERMS & CONDITIONS

A. Calibration Plan Schedule

Target Proposed Schedule
Estimate Calibration Schedule

B. **Payment / Validity / Overseas Bank / Tax Charges**

Payment Terms applies at the time of order entry depending on customer's eligibility.
Validity of this quote is 30 days from the date of quotation.
Rates quoted are NETT due to METROLAB, exclusive of all taxes, withholding, local VAT(if any) and bank charges (for T/T payment) shall be borne by the customer.

C. Overseas & Local Shipment

Return shipment to be arranged by the customer. Shipment to be declared & indicate "DOOR-TO-DOOR" , as METROLAB will not borne any shipping or documentation charges.

D. Calibration Services

METROLAB standards and equipment to be use will be traceable to NPL (UK), NIST (US), NML (Australia) and Spring Singapore. Equipment will be test in general accordance with the published local/ international documents, calibration procedure of the equipment manufacturers and/or METROLAB Calibration Procedure as a guide. Please request for a re-quote should an Accredited or Endorsed Calibration Report is required. Otherwise, a Standard Calibration and a Non-endorsed Calibration Report will be issued. Such requests are to be clearly stated on a Delivery Order or Memo and to be attached together with the equipment during submission.

METROLAB will provide the calibration due date on the calibration certificate and label except customer declines to state it preceding to the calibration services. METROLAB will follow manufacturer's recommended calibration frequency or interval or affixing one year after date of calibration unless otherwise specified by the customer.

E. Repair Services

Unit for repair will under go technical evaluation prior to the approval of the customer.
The quotation is valid only for the fault found, in the event that further damage is found upon the arrival of the parts immediate communication will be provide and new quotation will be release.
Unless requested by the customer prior to the repair service, METROLAB will retain all defective parts.

For a **"One-Stop-Shop Calibration Services"**, repair services are also provided at our repair centre if your equipment is faulty and require repair. The total estimated cost will be made known to customer. Upon your documented approval we shall then proceed with the repair and calibration.

All repairs / parts / replacements are warrantee for **90 days** only, defective equipment must return to METROLAB within this period.

F. After Service Equipment Review

An equipment review will be rendered at no charge if problem arises within one week after return of equipment. Otherwise, a minimum charge of Php 1,500.00 will be imposed should a review be needed and subsequent calibration service not required upon completion of review.

G. Faulty & Rejected Items

If an equipment is found faulty or rejected and calibration is discontinued, a minimum fee of 40% of the quotation value will be imposed.

H. Orders, Cancellations & Returns

In the event that equipments are not collected within 6 months from date of completion, or calibration / repair fees are overdue, we reserve the right to dispose and recover from this equipment.

I. Collection & Delivery

METROLAB provides free collection and delivery services within Metro Manila. Allow 2 working days advance notice for collection / delivery arrangement. Good received and sold in good condition are non-refundable or returnable unless expressly stated. Purchase Order / Endorsed Quotation are required prior to delivery / collection of equipment.

J. Operation Hours for Self-Collection / Delivery

Monday to Friday : 9:00 am to 6:00 pm
