Site Calibration		

B. Calibration

* Calibration will only be done upon receipt of Purchase Order or confirmed Work Order Form.
* All test/measuring equipment shall be calibrated in accordance with applicable manufacturer's specification and procedure. In case Manufacturer's Calibration Procedure is not available, or if the customer does not require any specific paramaters to verify, SONJU shall compare and set-up calibration test data and procedure either of the following:
  a.) International Standard Procedures (Certified Reference Materials)
  b.) Same procedure of the most related brands and model
  c.) Specification provided by the customer or thru internet.
* For digimatic or digital tools, we require that the customers shall provide power supplies, adaptors, and batteries. For other items necessary accessories shall be provided by the customer.
* SONJU uses diligence in gandling our customer's equipment. Upon customer's acceptance, SONJU is no longer liable for any fault, mishandling, improper usage or damage by the customer's officers or employees and thus issues no warranties and none may be implied directly and indirectly relating to SONJU' test/ calibration results, services or facilites.
* Adjustment is not part of the calibration process, but in case there is provision for adjustment; adjustment shall be done by the laboratory with documented approval of customers.

C. Repair Service

Facilitating you with a Repair Service "ONE-STOP SHOP", repair services are also provided at our repair center if your equipment is faulty and require repair. The total estimated cost will be made known to you. Upon your documented approval, we shall then proceed with the repair and calibration.

D. After Service Equipment Review/Diagnostics

An equipment review will be rendered at no charge if problem arises within one week after return of equipment. Otherwise, a minimum charge of php 2,500.00 or 20% of the normal calibration/ repair charge whichever is higher, shall be imposed should a review or diagnosis be needed and/ or done and subsequent repair and/or calibration service is/are not required upon completion of review.

E. Certificates/ Report

* Certification shall be issued upon completion of payment
  Please request for a re-quote should an endorsed calibration report be required. Otherwise, a standard calibration and a non-endorsed calibration report shall be issued.
* Customers are encouraged to advise SONJU the calibration interval required so as to be stated on the certificates. Such requests are to be clearly stated on a Purchase/Delivery Order, Memo, Work Order Form or letter, and to be attached together with the equipment during submission.

* In case the customer requests for another copy of the certificate/ service report, provided that it has been issued, a minimum amount of Php 150.00 or 5% of the normal service rate whichever is higher shall be charged.

F. Faulty & Rejected Items

If equipment is found faulty or rejected and calibration is discontinued, a minimum fee of 40% of the quotation value will be imposed.

G. Contract Basis

Customers are strongly encouraged to reach a contract agreement with SONJU. Customer under contract enjoys the following benefits:

* A Quantity Discount
* Free Calibration Recall System
  (SONJU will inform customers at least 2 weeks before the actual date of their calibration)

H. Orders, Cancellations & Returns

In the event that equipment is not collected within 6 months from the date of completion, or calibration/ repair fees are overdue, we reserve the right to dispose and recover from the said equipment.

I. The following entries in the Test/Calibration Certificates cannot be changed:

* Date Received/started/finished
* Customer's sample designation/description
* Witnessed test
* Customer's name/address

J. Customer is given fifteen (15)calendar days after receipt of certificates to request for changes other than what has been identified in item J above. Changes on calibration results are all subject to recalibration.

K. Any special agreement outside this terms and conditions shall be both agreed by SONJU and customer.
