TERMS & CONDITIONS

1 All prices quoted are in **Philippine Peso**

2 All prices quoted herein are **EXCLUSIVE of 12% VAT.**

3 Delivery Lead-time for Cabling Components :
- On-stock, within 1-2 weeks from the date of receipt of downpayment
- Ex-stock, 6-8 weeks from the date of receipt of downpayment
- All purchase orders are subject to availability and prior sales

4 Schedule of Project
LanTro shall mobilize within one (1) week from the receipt of Notice of Award or Purchase Order. The entire project can be completed within Ten to Fifteen (10-15) working days unless all dependencies are cleared such as civil works and fitting out works.

5 The design and configuration is based on the customer's present requirements. If the customer changes their requirement prior to or after acceptance of LanTro's proposal, LanTro reserves the right to amend its proposal, including the products and prices.

6 Validity : **Fifteen (15) days** from the date of submission
- LanTro reserves the right to change the price after the validity period has expired.

7 Payment Terms
50% Downpayment upon Receipt of Purchase Order
50% Upon Completion of project
Note: Payment is due within seven (7) days from date of invoice. All overdue payments will be subject to late payment charge of one and a half percent (1.5%) of the outstanding amount per month or the maximum amount permitted by law whichever is

8 Cancellation / Termination
- If the client request cancellation of an order five days after the issuance of Purchase Order, Lantro will charge the total amount of materials already ordered to the supplier. The materials ordered will be given to the client.
- If the client cancel the services after Lantro has begun services under the Scope of Work, the client will be responsible for paying fifty percent (50%) of the total agreement price. The customer will be also responsible for paying all incurred, unrecoverable travel and related expenses of Consultant(s), any third-party vendors, or sub-contractors who have provided services under this agreement.

9 1-year Workmanship Warranty
-Lantro Phil's. Inc., when awarded the contract to supply and install the structured cabling systems for Pricon, Canlubang Laguna, Phils will provide 1- year workmanship warranty on the installed structured systems and the scope of work comprises the followings:

* To troubleshoot any reported cable fault (copper).

* To replace damaged SCS components (copper) (material cost to be charged separately)

* Any materials required or/and additional work to be done but not specified in the Contract (e.g. Relocation of inter-rack points) will be charged accordingly at an agreed price.

Responsibilities of LANTRO PHILS., INC. are as follows

In general, response time will be next working day upon receipt of the Job Request. Where there is urgent requirement, immediate response is guaranteed; but limited to one request per quarter.

10 Existing Patch panel for data nodes to be pulled for IDF will be used.
