Subject: AMTI – PROFESSIONAL SUPPORT AND SERVICES

Dear Sir/Madam,

Our company Accent Micro Technologies, Incorporated or AMTI is a wholly owned Filipino Information and Communications Technology Company established in 1996. AMTI has been a forefront in Systems Integration through a variety of systems that incorporate data center infrastructure, networking & security, virtualization, cloud computing, unified communications, and application integration from backbone and information systems, to collaboration and infrastructure systems. We use various enterprise packages to provide the optimal IT environment for each customer. These powerful technology suites, that only AMTI can offer end-to-end, are at the leading edge of what organizations and businesses want and expect from a solutions provider.

On top of this, we also offer professional services such as managed service, maintenance support, On-call troubleshooting, consulting, training and migration service. Our engineers are well trained local and abroad and technically certified and competent to handle such tasks.

It is with great privilege you consider our company for your requirement. Attach in this letter is our proposal for your review and approval.

We look forward to hear from you soon.

Sincerely Yours,

Rona Mae L. Malana
ICT – Service Account Manager
